In February, 50 much worn books were sent away and rebound in strong, durable covers. Many other books have received repairs here in the library.

The work of putting the card catalog in order and bringing it up-to-date was completed about May 1,

TOWN OF MOULTONBORO

1935. You will find the card catalog very useful in looking for the book you want. If the library has the book, you will find it entered in the catalog by title, and also by author. Subject cards for the non-fiction books help you in finding books about a particular subject or person.

Among the books given to the library this year is a twelve volume set of source books for American History, presented by Miss Elizabeth Burbeck. This set, "America," is a recent publication of the Veterans of Foreign Wars, and should prove very interesting to students of American History.

Besides the several magazines which come to the library regularly, we have received as gifts the 1935 issues of "Red Book," "Red Cross Courier," and "The Christian Herald." Gifts of worthwhile books and magazines are always appreciated.

National Book Week was observed by a poster contest among the school children, and displays of new books here and at the post office. Maher's Bookstore of Laconia loaned an exhibit of over sixty children's books. The five prizes given in the poster contest were contributed, upon request, by the New England News Company.

The circulation of books during 1935 was 2791, an increase of 299 over that of 1934. In addition, the circulation of magazines, which was introduced for the first time in 1935, totaled 74 for the year. The increased circulation was largely due to the Wednesday openings which were continued during the whole year instead of only during the summer.

Summer residents and guests, we hope you will visit us. The new books you are seeking in your city library must often seem to you as elusive as the trout in Lake

TOWN OF MOULTONBORO

Winnipesaukee. We would suggest, however, that you will find our books not as lively as the trout and more easily caught. May we have the privilege of serving you?

MARION L. GOODWIN,
Assistant Librarian.

TOWN OF MOULTONBORO

REPORT OF SECRETARY OF MOULTONBORO VOLUNTEER FIRE DEPARTMENT

We have been very lucky this year in not having many fires. What we have had have been chimney or grass fires. No buildings burned down.

We were called to Center Harbor to the Garnet Inn fire and out of five companies present we were the only one having first aid equipment on the truck.

The firehouse has been painted one coat. New parts have been put in the pump, and new extinguishers have been bought.

The \$500 appropriated by the Town is still intact and we wish to leave it there for new equipment.

HARVEY MOULTON,
Secretary.

TOWN OF MOULTONBORO

In addition to the 104 pupils enrolled in our own schools, 24 Moultonboro pupils were enrolled in elementary schools of Center Harbor, and 31 pupils were in secondary schools of other towns.

During the past summer vacation the building at the village was thoroughly renovated on the inside. The buildings at Green's Corner and Lower Neck also received needed attention. All these buildings are now in good repair. The Ambrose School will need renovation next summer.

The District has now secured title to additional land at Green's Corner. This should be fenced in.

The grounds of the Village School present a difficult problem. To put them into a condition that would be a credit to the town would probably be too great an expense to be done in one year.

I would recommend that a start upon this improvement be made this year and continued later until completed.

Medical inspection in the schools is continued by Miss Helen Nichols. Her report will follow.

Respectfully submitted,

FRED W. DUDLEY,

Superintendent of Schools.

TOWN OF MOULTONBORO

REPORT OF SCHOOL NURSE

To the Townspeople of Moultonboro, 1936:

Our children this year seem much improved in many ways from last year. Our "Game of Cleanliness" is making the children more interested in looking better and that in turn does make them healthier. What school will win the prize? It is going to be hard to decide.

Since our dental clinic in January, 1935, six (6) children were examined and fitted for glasses, making a total sum of \$129.00 spent; all that the Government allowed.

We are hoping to have a dental clinic this spring as this is so important in the health of the children.

Respectfully submitted,

HELEN NICHOLS,
School Nurse.
